

Reception Home Learning

1.6.2020	Monday	Tuesday	Wednesday	Thursday	Friday	
		<p>Hello Reception,</p> <p>This week our text is called PLANTING A RAINBOW and is written by Lois Ehlert You can listen to your class teacher reading this book on Showbie on Monday's video or watch it. https://www.youtube.com/watch?v=sti3PXBeVag</p>				
Literacy Sentence writing	Rainbow poster Can you create a poster of your favourite colour from the rainbow? First you'll need to pick a colour and write it in the middle of your page. Around your poster draw and label objects that are that colour. Challenge: Can you write a sentence using the word 'because'? I like red because.... 	Rainbow flower experiment Using white flowers (carnations work well) or lettuce leaves. Cut the ends diagonally, with the help of an adult. Then place them into glasses half filled with water and some food colouring. Observe them for 4/6 hours. What happens? You may like to watch this to find out more. https://www.youtube.com/watch?v=HeIS-GK0cYI Challenge: Can you take a before and after picture and write some sentences to describe what happened? 	Flower facts Research your favourite flower from the story using books you may have or the internet.  <p>and grow.</p> Talk with someone that lives with you about all of the things you have found out about that flower. Challenge: Can you draw a picture and write some facts about this flower?	Design a seed packet In the story the children go to the shops to buy some seeds to plant more flowers. Can you design and make a seed packet for the flower you researched yesterday? Remember to include a title and a picture on the front. Challenge: Can you add some instructions about how and when to plant the seeds? 	Design a garden The story is all about a garden. They added lots of different flowers to make it colourful. Can you design your own garden? What would you plant in it? What equipment would we find in your garden? You can use the format in the showbie file or draw your design on a piece of paper. Challenge: Can you write a sentence about your dream garden? 	
Maths Number bonds / addition	Number bonds to 5 Your challenge is to find as many calculations as you can to make the number 5. To help you, find 5 small objects and split them into groups. Record your sentences with + and = i.e. 2+3=5 $1 + 1 + 3 = 5$ Challenge: Can you repeat this using the number 6?	Number Bonds to 7 and 8 As you did yesterday can you find as many ways as you can to make the number 7 then 8. Today can you record your finding on a flower? Write the number in the centre then add a petal with each calculation written on. 	Flower Addition Today can you create an addition flower? You can add  your own number sentences or ask your adult to write some for you. Don't forget to use your number line.	Number bonds to 9 Your challenge is to find as many calculations as you can to make the number 9. To help you, find 9 small objects and split them into groups. Record your sentences with + and = i.e. 4 + 5 = 9 $3 + 1 + 1 + 1 + 3 = 9$ Which number gave you the most calculations? Can you explain why?	Flower Number Line Can you create a flower number line from 1- 20? You can use lollysticks and bun cases as shown in the picture or you can create it using anything you have at home.
