ABBOTS GREEN ACADEMY—OCTOBER 2019

Autumn is officially here! Despite wet play-times and chilly mornings, there are certainly lots of exciting learning opportunities throughout the school as well as a new hall roof!

With a month under our belts, children are now fully immersed in their learning and striving to be the best that they can be; whether it's in the dinner hall, assembly or playground our children are confident to share the knowledge that they enjoy acquiring by the day. Ranging from London, Egyptians or even missing toys in Year 1, children have noticeably started the term with a positive attitude to their learning. We look forward to sharing this with you during our first Wow Wednesday session next week.

With building work in full flow, we have remained committed to our healthy values, with snacks and the daily mile at the heart of our day. It has been a privilege to welcome Mr Newson, as PE specialist, into our team this term who has been teaching PE in many classes throughout the school each Tuesday and Friday.

Over the next two weeks we look forward to appointing Sports Leaders to lead activities on the playground as well as our Talk Team (School Council) for the year ahead.

I look forward to seeing you at Wow Wednesday and at parent's evenings (more info to follow) over the next couple of weeks.
