

Abbots Green Football Club

Our Aims

To provide a safe and secure environment for all children who want to become part of Abbots Green Football Club

Registration

To allow the club to prepare for next season we need to be aware of how many children are interested in training/playing next season. By completing the below slip we can gauge the facilities required.

Please note there are **no fees** required to join our club, so registration does not tie you into the club, however to enable us to fulfil our commitments to the school and league we would appreciate your help in supporting the club by encouraging your child to attend
