

# Can you complete this week's fine motor challenges?

Thursday: stack buttons, beads or penne pasta on a tooth pick or a kebab stick.

Wednesday: declare a 'thumb war' with someone in your house.

Tuesday: place a number of clothes pegs around an egg box to create a dinosaur cage.

Friday: put your fingers and thumb together on playdough. Stretch the fingers and thumb apart to create a dinosaur.

Monday: use a water spray bottle to spray plants, walls or the ground outside.
