

Dear Parents/Carers

Children of Key Workers and Vulnerable Children:

As yet we do not know exactly which children will come into this category, but we have been told that it will include:

- Doctors
- NHS staff
- Police
- Delivery drivers for supermarket food deliveries
- Children with a Social Worker
- Children with an Educational Health Care Plan (Mrs Uttley will be contacting these parents directly)

Please note, brothers or sisters of children with EHCPs would not, as we understand it, qualify.

By 9am on Friday 20th March, we need to have identified who might fall into this category and if their parents have no other care arrangements (such as partners) so may require them to be at school. This is an awfully short time scale, so we would be very grateful if any parent who thinks they may have a child in one of these categories and would need childcare, could please let us know as soon as possible.

If you think you might have a child in one of these categories and would need them to be in school, please send an email to the office@abbotsgreenacademy.co.uk. We can then begin checking to see if the children would qualify.

You will need to give the following details:

- Child's name
- Child's Class
- Reason why you feel they would qualify - e.g. Parent's job, including hours and days worked (both parents) or that they have an EHCP

Whilst providing this information will not guarantee that your child will be able to access this provision during the school day from 8:45-3:30pm, it will at least help us to start looking at possible numbers.

Similarly, if you have a child that fits one of these categories but you know you definitely would not require child care, please also let us know via the email above, as this would also be very helpful.

Many thanks for your continuous support

Ang Morrison
