

With Autumn officially here, with its crisp mornings, golden leaves, and the comforting rhythm of seasonal change, we find ourselves celebrating, whatever the season, the great strength we have as Abbotts Green Academy community.

The roots for our school sit proudly within our Evergreen nursery. This month, our youngest children have been embracing the seasonal changes not only outside but with a new seasonal menu too- from Salmon risotto, chicken curry to a seasoned vegetable roast, our youngest pupils enjoy the dining table etiquette amongst their peers.

With so many new families throughout the school, we have been proud to share the importance of all individuals forming part of an Abbotts Green Jigsaw- without everyone our school is not complete.

Only this week, it has been a pleasure to welcome in our Year 6 parents for our first Parent Partnership of the year, creating electric circuit boards sharing our knowledge of World War 2. As one child shared 'I bet they didn't have parent partnerships in the air raid shelters!'.

Rainbow room have embraced this even further exploring the different characteristics of our Mr Men; from Mr Bump, Mr Tickle, Miss Messy and even Mr Nosey- pupils have loved comparing behaviours and personalities.

Our Year 5 and 6 sporting champions have been very much like Mr Speedy! We were thrilled to have so many Abbotts Green runners embrace the course with such integrity and sportsmanship. We're incredibly proud of our 8 Year 6 pupils, who now qualify for the county finals later this term!

With a new season, we have also found opportunities for new roles in our school. This year we have introduced our Property Protectors- this role allows children from Year 1-6 to work together to locate lost property and return it to their owners. The buzz of this role has been infectious, especially when asking the consent of the owners if names can also be added to lost items! What a service!

At Abbotts Green Academy, in just a small amount of weeks, the label we all clearly wear with pride is the one that states 'we are all proud to belong'.

Happy October

Reading cup

This week we have started the Reading cup leader board- each week our Reading Champions will collate how many children in each class have read at home 3 times a week- the winning class are presented with the AG Reading Cup in assembly!

Meet the teacher

Thanks to all families that attended our Meet the Teacher meeting- copies of the slides will be uploaded onto the website soon. Watch this space!

Save the date

In addition to our Fridge Flyer we have added our first Wow Wednesday on Wednesday 3rd December at 3pm. This will be an opportunity for parents of children in Year 1 upwards to come and visit classrooms to look at their children's books.

Parents Forum

Our first parents forum of the year will be on Thursday 20th November 2pm. This is an opportunity to find out more about what is happening in school and share your views.

Abbotts Green Attendance

We aspire for every child to come to school everyday- as a school our attendance data is already above National standards with 97.1% compared to 95.5%. Our current best attending class is Chile Class with 99.4%

Sybil Andrews Governor

Sybil Andrews are currently looking to grow their Governing Body- this is a great opportunity to work in collaboration with our feeder secondary school- in the first instance, please share your interest with Ang Morrison or Leda Yeaman (operations manager) who will share direct contact details with Mr Blakey (Secondary director of education) or Mr Stevenson (Headteacher)

Parent Request

Several parents have brought to our attention their concerns about vaping at the school gate. Whilst this is not something that as a school we can regulate, we can pride ourselves in being respectful of one another in our school community.
