

Paper Plate Fish

Do you know how to make a paper fish? Read these instructions to find out how.
It should take about **15 minutes**.

You will need:

- White paper plate or round white card
- Scissors
- Glue
- Colouring pens/pencils

Method:

	1. First use a ruler and a pencil to draw a triangle on a paper plate.
	2. Next cut out a triangle with some scissors.
	3. Then stick the triangle onto the edge of the plate using some glue, to make a fish shape.
	4. After that draw some wiggly scales and an eye on the fish, using a black felt tip pen.
	5. Finally decorate the rest of the fish with bright colours.

What a fantastic fish you have made!
