

Year 6 bingo-style recommended reading list.

To encourage you to read a wide range of books, both classic and modern, we would like to see how many of these books you can read this year. You can read them in any order, but if you want to play bingo, you might decide to choose a row, a column, a diagonal or the 4 corners first. You will need to prove that you have read the book by answering a few questions and, of course, you will be recording your reading in your planner. The more you read, the more rewards you'll receive! Happy reading.....
